AluSlight

14.0" - 15.4"

An Elegant Case for 15,4" Notebook and Accessories

The AluSlight from DICOTA is a very classy in its optic and comfortable in handling. It offers room for all popular Notebooks up to 15,4" including accessories. The two exterior hulls are made of solid aluminum and have been tooled from a single piece each. That is why the AluSlight is very sturdy even though it is light-weight. Mobile equipment is perfectly protected from shocks and knocks! The matt finish and lockable fasteners are very stable and close securely. The effective protection foam made from High-Density Foam (HDF) protects the Notebooks in the case interior! The Notebook strap additionally fastens the Notebook in place. In addition to your Notebook the AluSlight also offers room for a power supply unit, extra rechargeables and more.
You can store further accessories in the workstation or place important papers in the document compartment in the cover. The removable shoulder strap allows you to comfortably carry the case over long periods of time.
